

COOKIE POLICY

1. COOKIES

Cookies are files downloaded to your computer/smartphone/tablet when you visit certain websites. Cookies make it possible to store and retrieve information about your browsing habits using the device in question. These cookies are stored in your hard drive memory during the duration of your browsing session only. They do not collect any specific personal data, and the majority (known as session cookies) are deleted from your computer when you close your browser.

Most browsers accept cookies by default, while allowing users to enable or disable temporary or persistent cookies through their security settings.

Unless you give your express consent by enabling cookies in your browser, the owner of website will not link any data stored with the personal details you provide when registering or making a purchase.

For more information about cookies: info@spanish-tights.com

2. TYPES OF COOKIES ARE USED ON THIS WEBSITE
